Please consider the request approved.

You didn't mention the updated Notice of Intention. Do you plan to have that to us by January 5?

Good morning Paul,

As discussed in our phone conversation, I am asking for an extension of funds due for the updated surety on our mine site. Our mine site is under Western Gypsite LLC, Gypsite Pilot Mine, S/045/0084 in Tooele County Utah.

We are formally requesting for a 30 day extension on providing the updated maps and deposit of funds as requested. This would make the new due date February 5th, 2015.

Please reply that this is acceptable, if you have any questions please feel free to contact me anytime.

Sincerely,

Ted Schrock
